## DOUBLE THE CAMPERS OF 2020

The 75th Summer of camp at Upper Missouri was filled with worship, games, Bible studies, great food, new & old friends; and lots of campers!! In 2020, with Covid all numbers were half the capacity. This past summer all spots were open to the 900 plus kids served this year!

## THANKFUL FOR 75 YEARS

The 75th summer of Bible camp was a reminder to the faithful work of God through the people of God. People send their kids, donors partner with Umm to offer scholarships, great staff, food, and this place. Thank God for making it 75 years of providing faith for our kids.

Thank you to all partners with this ministry, so together we may spark faith in CHRIST JESUS!

## 2022

This year the Umm Board of Directors is updating the plan for the future. They desire to partner with more families, congregations, and communities to spark faith in Christ Jesus. Watch for more info.
